

PF BIBLIOGRAPHY NO. 9 DEVELOPMENT OF PSYCHIC ABILITIES

These are some examples of materials about techniques for development of parapsychological abilities at the Eileen J. Garrett Library. The bolded letters and numbers at the end of the references are the call numbers indicating the location of the books in the library. This list is for information purposes only and is not an endorsement of any particular techniques of psychic development. The books should be read together with the second part of the bibliography that presents critical reviews and research. For actual locations see the Librarian or consult our Library Map.
